Dear Sir,

Ref: Script Code: 532543

Sub: Manufacturing/Marketing tie-up & Product launching of Repsol branded lubricating products

We are pleased to inform you that in terms of Regulation 30 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Company has executed "distribution and licensed manufacturing agreement with REPSOL.

GP Petroleum Limited, Mumbai, has tied up with the Repsol, Spain's largest lubricant Company for blending and marketing of Repsol lubricants in India. Repsol is very well known across the world for its successful performance in MotoGP world championship racing. The product range launching covers a wide variety of automotive lubricants for Two wheelers, Cars and Diesel Engine Oils in the premium segment.

Please note, product launching 'Repsol'– Champions' Choice on the 5th April, 2016 at Mumbai and followup event on 7th April, 2016 at Jaipur. The senior team members of Repsol Spain and Gulf Petrochem group will be present the events including company distributors, key customers and stakeholders. The event details, venue and time is given as under.

Sr. No.	Event date	Venue	Time
